RMASPORT

HOCINT

+ In-profile net attachment along the uprights and crossbars

- + 9mm, internally reinforced aluminium extrusions, designed for hockey
- + Clamped attachment so balls can't escape

RMA has been the leading regional supplier of hockey goals for over a decade, with systems in the Commonwealth Games and Champions Trophy.

- + FIH certified
- + Improved indentation resistance, and non-rust performance
- + Goals supplied with wheels
